FINAL SCENE

El niño ~ エル ニーニョ ~

The scene is set at night, with a dark sky featuring a crescent moon and silhouettes of bare trees. In the foreground, a man and a woman are seated at a desk. The man, on the left, is seen from behind, wearing a light-colored jacket and sitting on a chair with a distinctive 'U' shaped backrest. He is looking at a computer monitor which displays a web browser interface with various icons and text. The woman, on the right, is also seen from behind, wearing a dark, long-sleeved top. She is looking towards the man and the computer. The overall mood is quiet and intimate.

Yes.

I'll
open it.

Is there
only the
email
from
your
father?

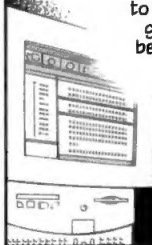

After he got shot by your gun, he couldn't be active for some time. Thankfully, he didn't know much about his gang and he got kicked out then. He is not connected to them now.

Be-fore?

I found many things on the first day.

I think he was connected to some gang before.

His plans didn't work out, but you gave him a good gift to change his direction into a better one.

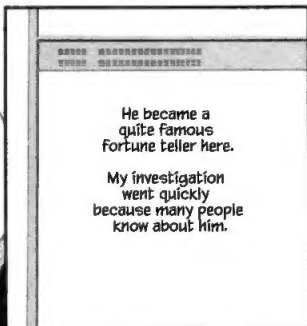

Your mother said that you were born to be easy,

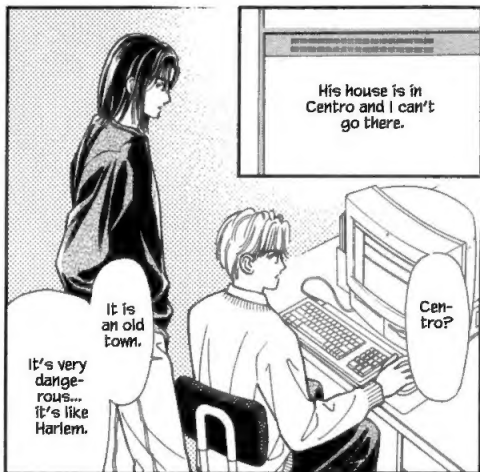

to influence others...

He became a quite famous fortune teller here.

My investigation went quickly because many people know about him.

Michael
is old
enough to
do this...

Does it
mean
that...?

Not my
Sunday
or smile
or hand.

Underwear.

Hm...

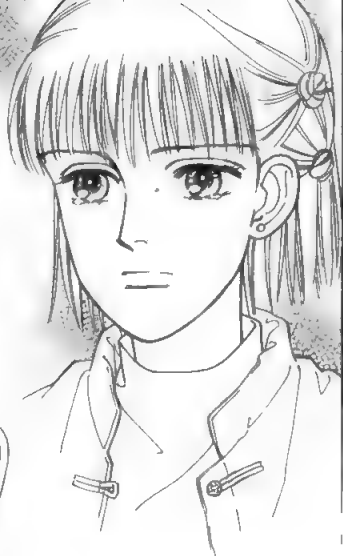

I thought
that he is
sticking to
my body.

That
is
why.

He wanted
to have
the panty.

Oh my.
Why am I
crying?

Heh.

Bang

Be
careful
on your
way
home.

Thank
you.

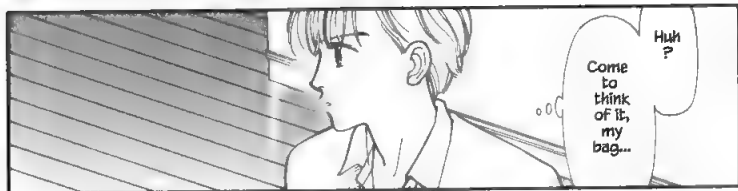

Yeah.

Bang

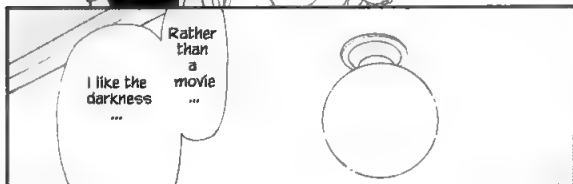

Then
see
you
tomor-
row.

Sfx: Ziiiiing

No, mom said that she is going to visit the neighbor ...

No, I am joking. Did the fuse get disconnected?

This is your ordered darkness.

It's a power cut!

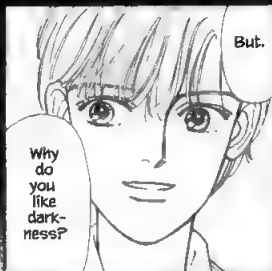

It's dark!

Oh my, I can see a star.

The power cut, it has been such a long time!

The lights are on in faraway places.

I memorized many constellations.

At night, the stars were amazing.

It shined so much like a sugar powder.

But ...

Huh?

What is this?

This is not the sky that I know.

Right after I came back to Japan.

I went to the planetarium with all my class on a school trip.

And I confidently raised my hand.

Someone asked, 'Who can describe the constellations?'.

Yeah.

People around me started chattering ...

'Liar, liar'.

...Nobody
said that.

Teacher
!

The one
which Riko
knows is the
stars of the
southern
hemisphere.

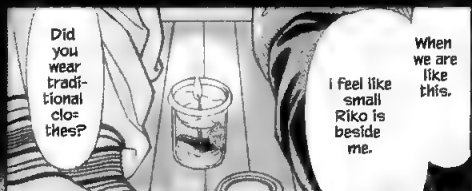

I want to
see the
stars of the
southern
hemisphere
too!

There
was a kid
who knew
astro-
logy
well...

No...
some-
one
did.

Ah,
that
is
good.

Did you wear traditional clothes?

I feel like small Riko is beside me.

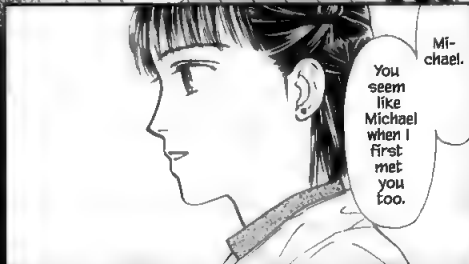

When we are like this.

I will look for it.

Really?! Did you take a photo?

I wore it.

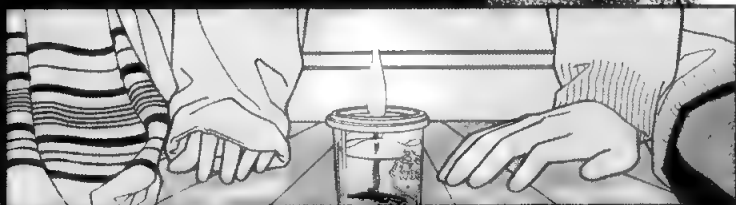

Michael.

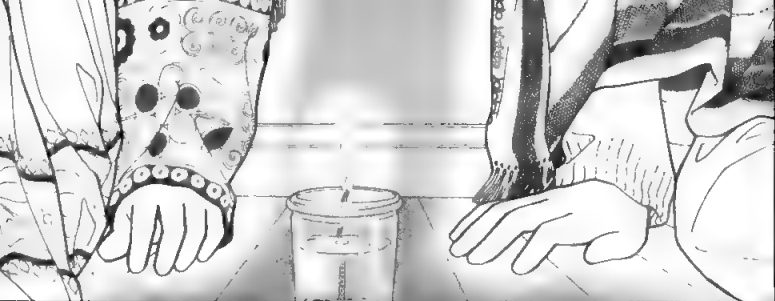

You seem like Michael when I first met you too.

At that time.

I liked a boy for the first time.

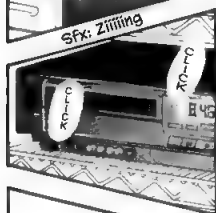

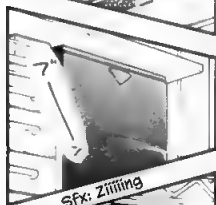

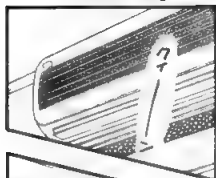

Small Riko
and small Michael.

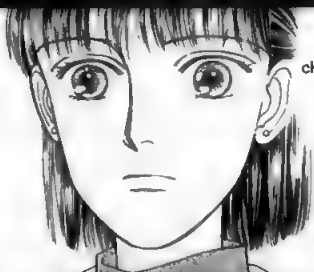

Sfx: Ziiiiing

I will
check
on
mother.

As a Michael
who carries
around my
underwear.

He
changed.

I don't
know
what
is going
on now.

What
am
I?...

To
Michael?

Will you go to the archery club?

Sannomaru, what are you going to do today?

Don't you have other things scheduled?

I am not working on my part-time job.

I don't have one these days.

What about Monday?

Simon.

I will go if you go.

Then who?

It wasn't Simon?

I needed a man's help.

I asked someone else.

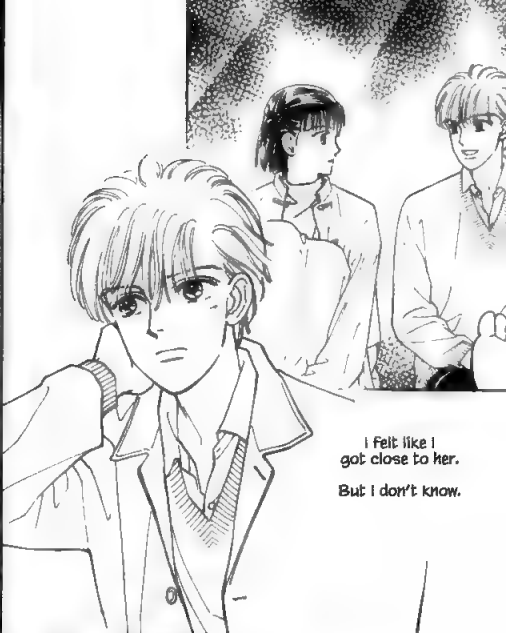

The underwear is the same.

Riko saw it.

And why was it in my pocket?

Why isn't she saying anything?

I felt like I
got close to her.
But I don't know.

Will
Doutomo
think I
am weird?

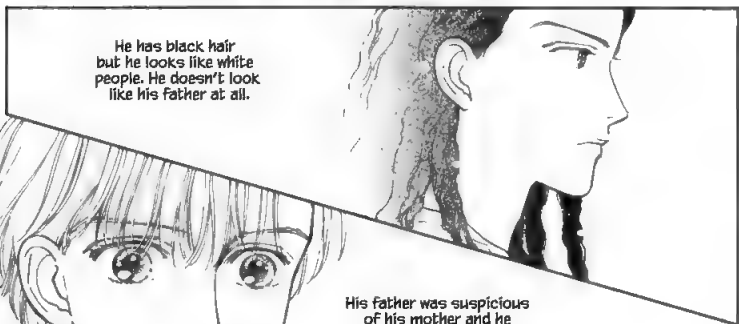

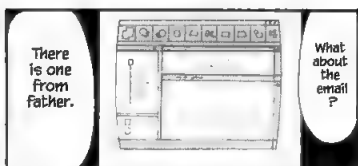

Hello! Are
you well, people?
I am not...

The chapters ended in
magazine Lala, so I am
writing this. But why
am I busier than the
time I was working on
the chapters? As the
last moment
is drawing
near, I needed more
pages and I
added more
on this volume too.
But about the
planetarium,
did you know
that you can see the
stars of the southern
hemisphere too?
(Continued on
page 53)

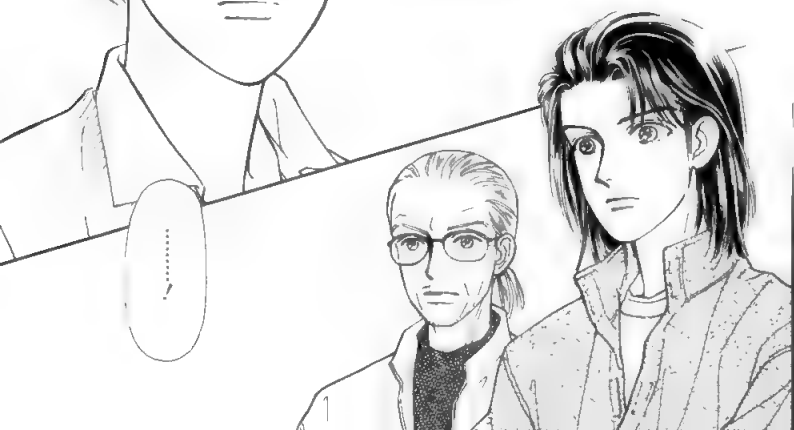

Sfx: Close

His father was suspicious of his mother and he abused both of them. After that, he seemed to left home.

Maybe he didn't
receive enough
communication
when he was young.

I
don't
look
much
like my
father
too.

it can
happen
with
mixed
blood
people...

Isn't
that...
too
horrible
?

The people who
were his friend
sometimes couldn't
feel his heart.

He did some outrageous
stuff to people
sometimes.

Sfx: Bark

Sfx:
Pant

Sfx:
Grab

Yeah.

Struggle

?

Welcome.

Did you give Pero exercise?

Sfx: RUN

He picked me up.

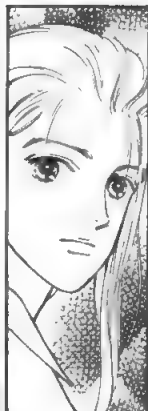

Probably because I was sleeping in the middle of the road.

She drank booze to spend her anger because her love was rejected.

Damn it, that chief bastard.

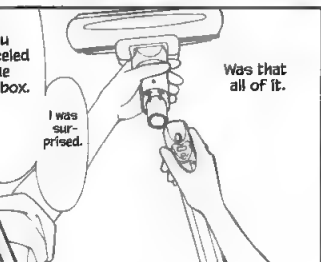

I think he is kind to things which are on the street.

Email is enough.

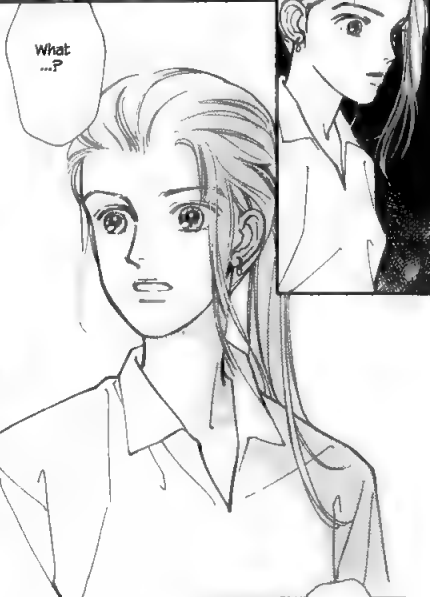

Yeah.

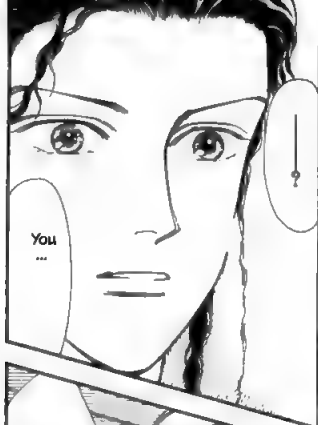

You canceled the postbox.

I was surprised.

Was that all of it.

You

...

What
about
me?

Am I someone
who you are
okay with never
seeing again?

What
are you
saying

...

Will
some-
thing
change?

Do you
have
trouble
if I am
not
around?

Fa-
bian.

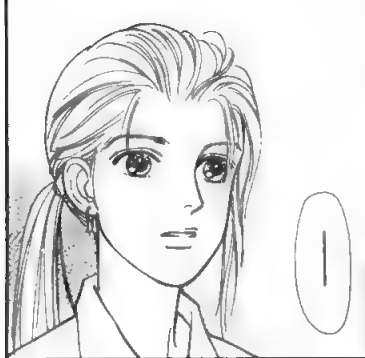

Is it
true
?

Someone
changing
because
of me.

I never
thought
about it.

Nobody
cared
about
me.

It could be
only you
who thought
like that.
Think
about
it
again.

Fa-
bian.

But
why is
that
him?

I might...

I might have
wanted to carve
myself on
something.

Is it
okay if you
never see
them
again?

He was
only 6
years old
then.

He won't even
remember now.

It's even 3 years
ago before the
accident happened...

The team that we are playing against in a match today.

Now.

Their strongest player who was healing came back.

He is number 6.

Ah.

He's bigger.

He is taller than Junior!?

He is so tall!

Woah!

Please,
Doutmoto!

You are the
best with
power and
stamina!

Am I
going to
fight
him?

No.

Whistle

Yes
...

Junior is
a point-
getter and he
shouldn't
be tired of
defending,

We are
scared
of foul
trouble
too.

Coach
knows
how to see
people,

Just
trust
me!

He didn't
realize
something like
that at all.

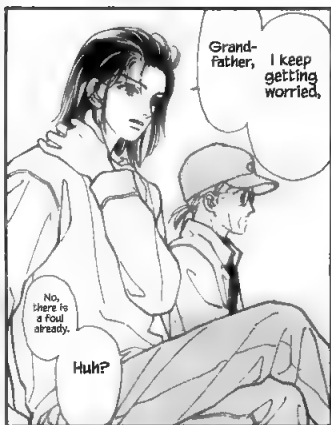

His
person-
ality
is nice.

Fabian ...

Would that work with him?

If you speak to him as a normal human.

Grandfather, I keep getting worried.

No, there is a foul already.

Huh?

I heard that it is hard to control your emotion.

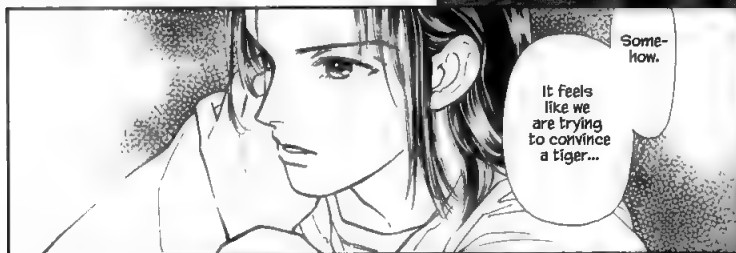

When you experience violence or see it when you are young.

I felt it a little with Sannomaru.

He had ~~no one~~ who he could trust.

But Fabian doesn't have that.

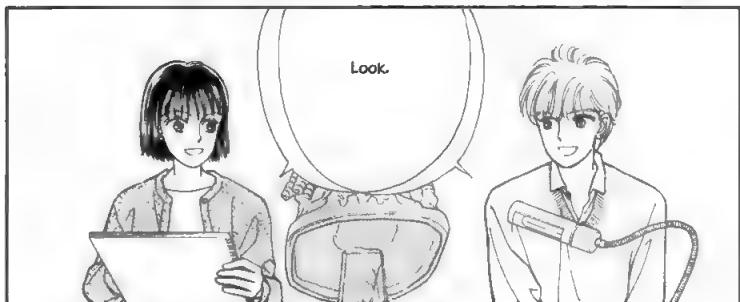

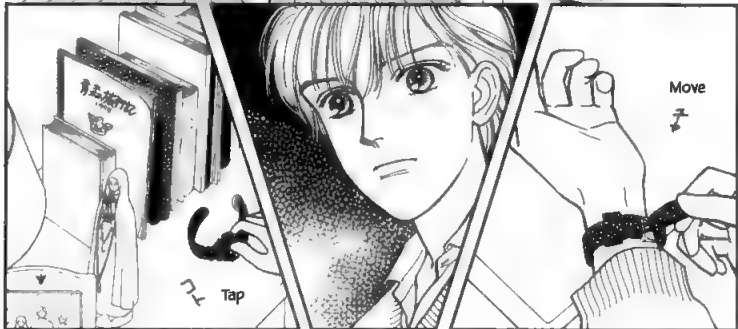

Huh
?

Riko,
what is
that?

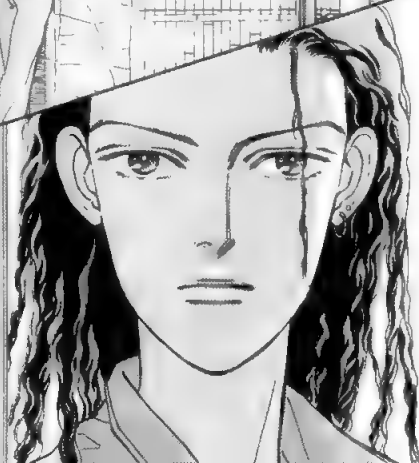

Fabian.

What kind of
feeling did
he have when
he saw it.

Michael.

It is
a man.

From the
station?

Michael!

修道館

Do you want to go somewhere and eat a meal? Sannomaru.

Move

No.
My father is not home, so I should go home early.

No.

Sfx: Ring

Sfx: Ring

Is it me?

Answer it for me.

Huh?

Riko?!

Cell-phone?

I should have,
thought of
something like
this too.

What if
he did a bad
thing to your
father
intentionally?

Sanno-
maru.

I was an astrology girl
who went to the
planetarium
whenever the
season change
so I saw some of
it too. I admired
The southern
cross very much
then. Ahh,
Riko must have
described the
stars of the southern
hemisphere to her
classmates after
that. Additionally,
what I like now,
is something
that I bought
from the mail-order
catalog. It is a
wooden sundial.
It is not much
use, but it is so
cute! I think I
have the most
similar hobby with
Osawa among
the characters
in this story.

Riko!

You stay here.

I will go and see.

Ah but...

I think he was outside just a short time ago.

Are you okay? What about that man?

Michael!

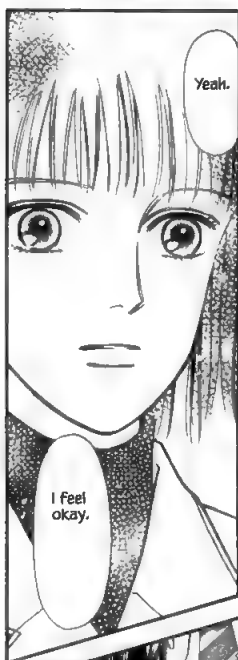

Be with Riko.

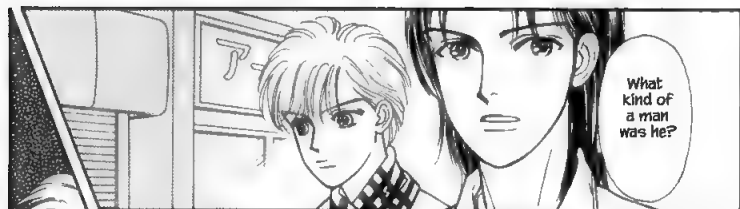

Do you know what kind of face you are wearing now?

Yes...?

Sfx: Thump

What kind of a man was he?

Like a salary-man who just got hired...

Was he wearing glasses.

Mm... it was dark and I couldn't see well...

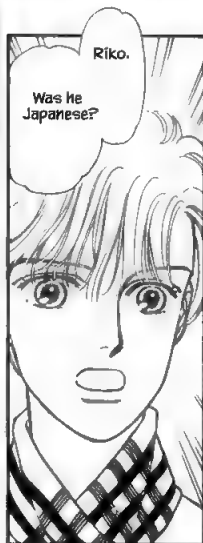

He was wearing a southern collar coat...

Yeah.

Why?

I think so...

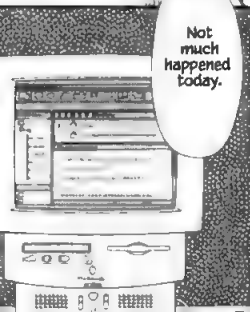

Riko.

Was he Japanese?

Sfx: Sigh

Not
much
happened
today.

What?

I am sorry.

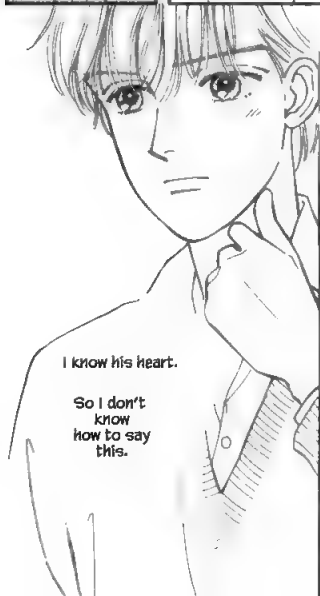

You don't have to do it any more. Simon is taking me home and picking me up at home.

I worried about it before...

Look

What?

I know his heart.

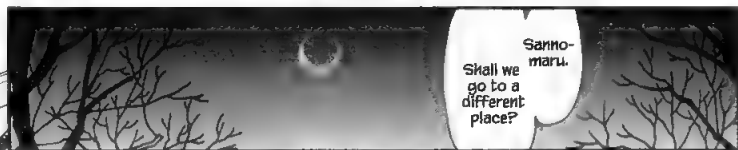

So I don't know how to say this.

Please back off.

Serious.

If you say that, did you think I would easily back off?

Sfx: Dark

Sfx: Turn off

Sfx: Dark

Si-
mon.

When the target
and I become one,
the arrow will strike
it on its own.

Kenzo Awa the
master archer said.

The
mosquito
repellent
incense
28 m away
from the
front... I can
hardly see
any smoke.

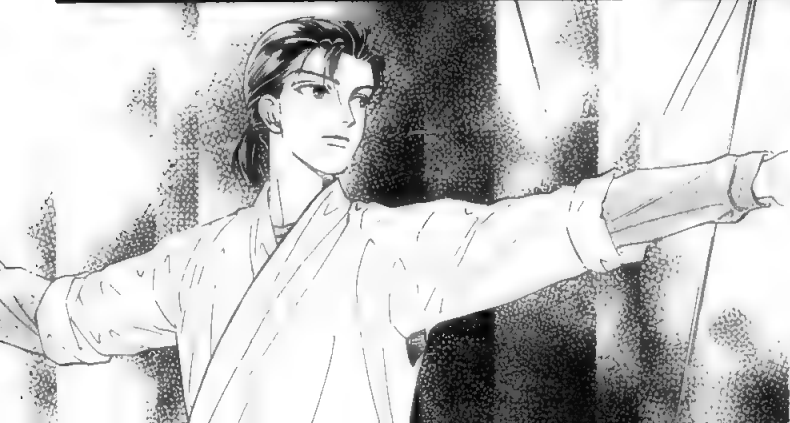

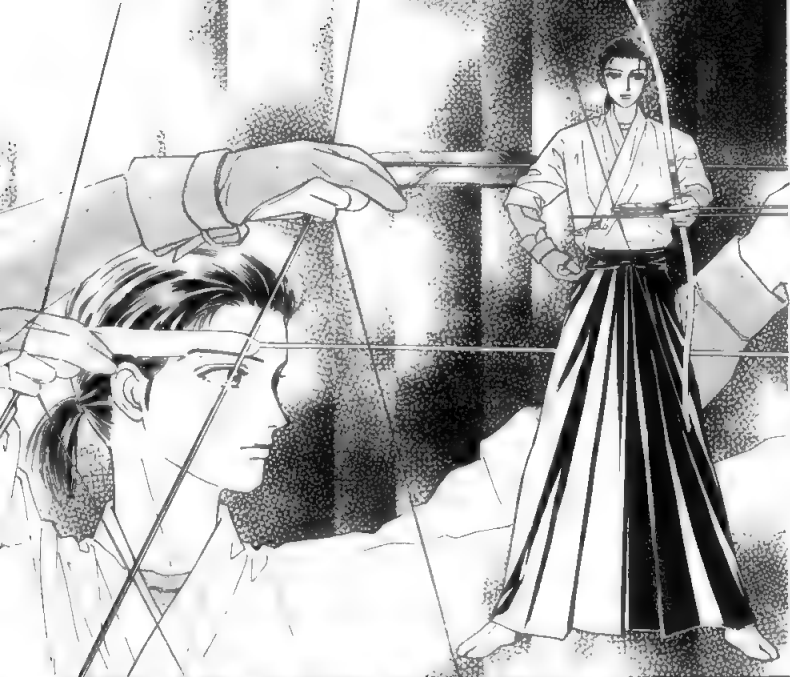

I have
a tiger
inside
me too.

But I will try.

When I can't control
my own heart...

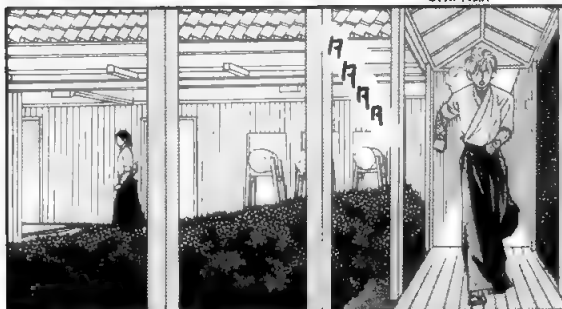

This is an arrogant
challenge.

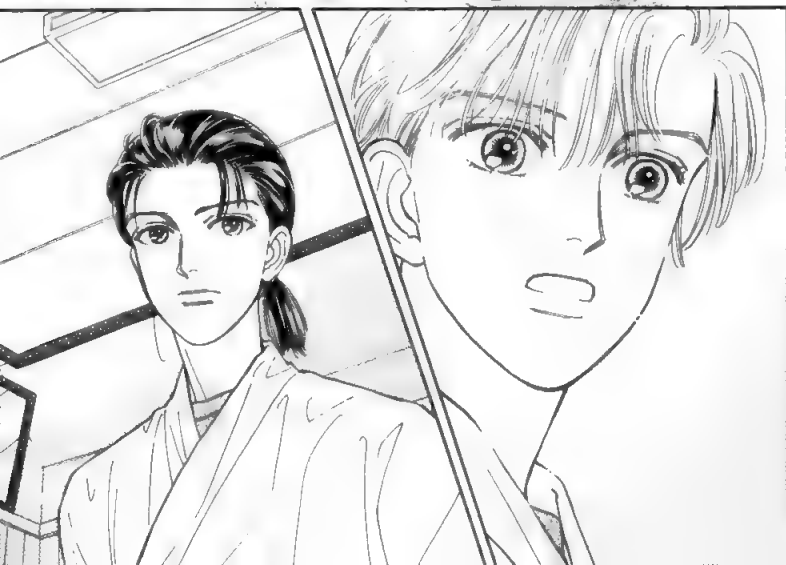

Sfx: Run

Sfx: Shine

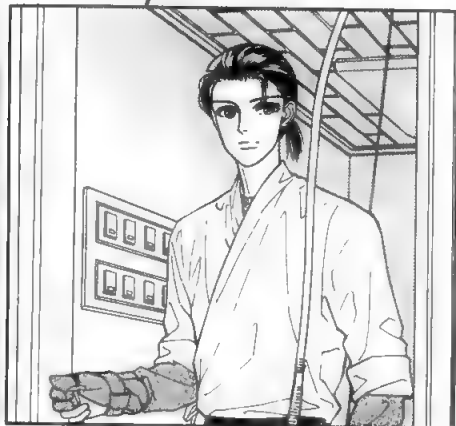

Bang

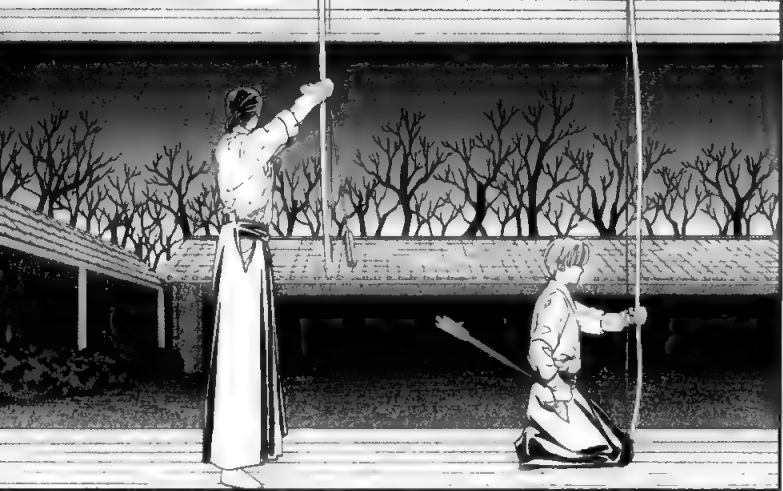

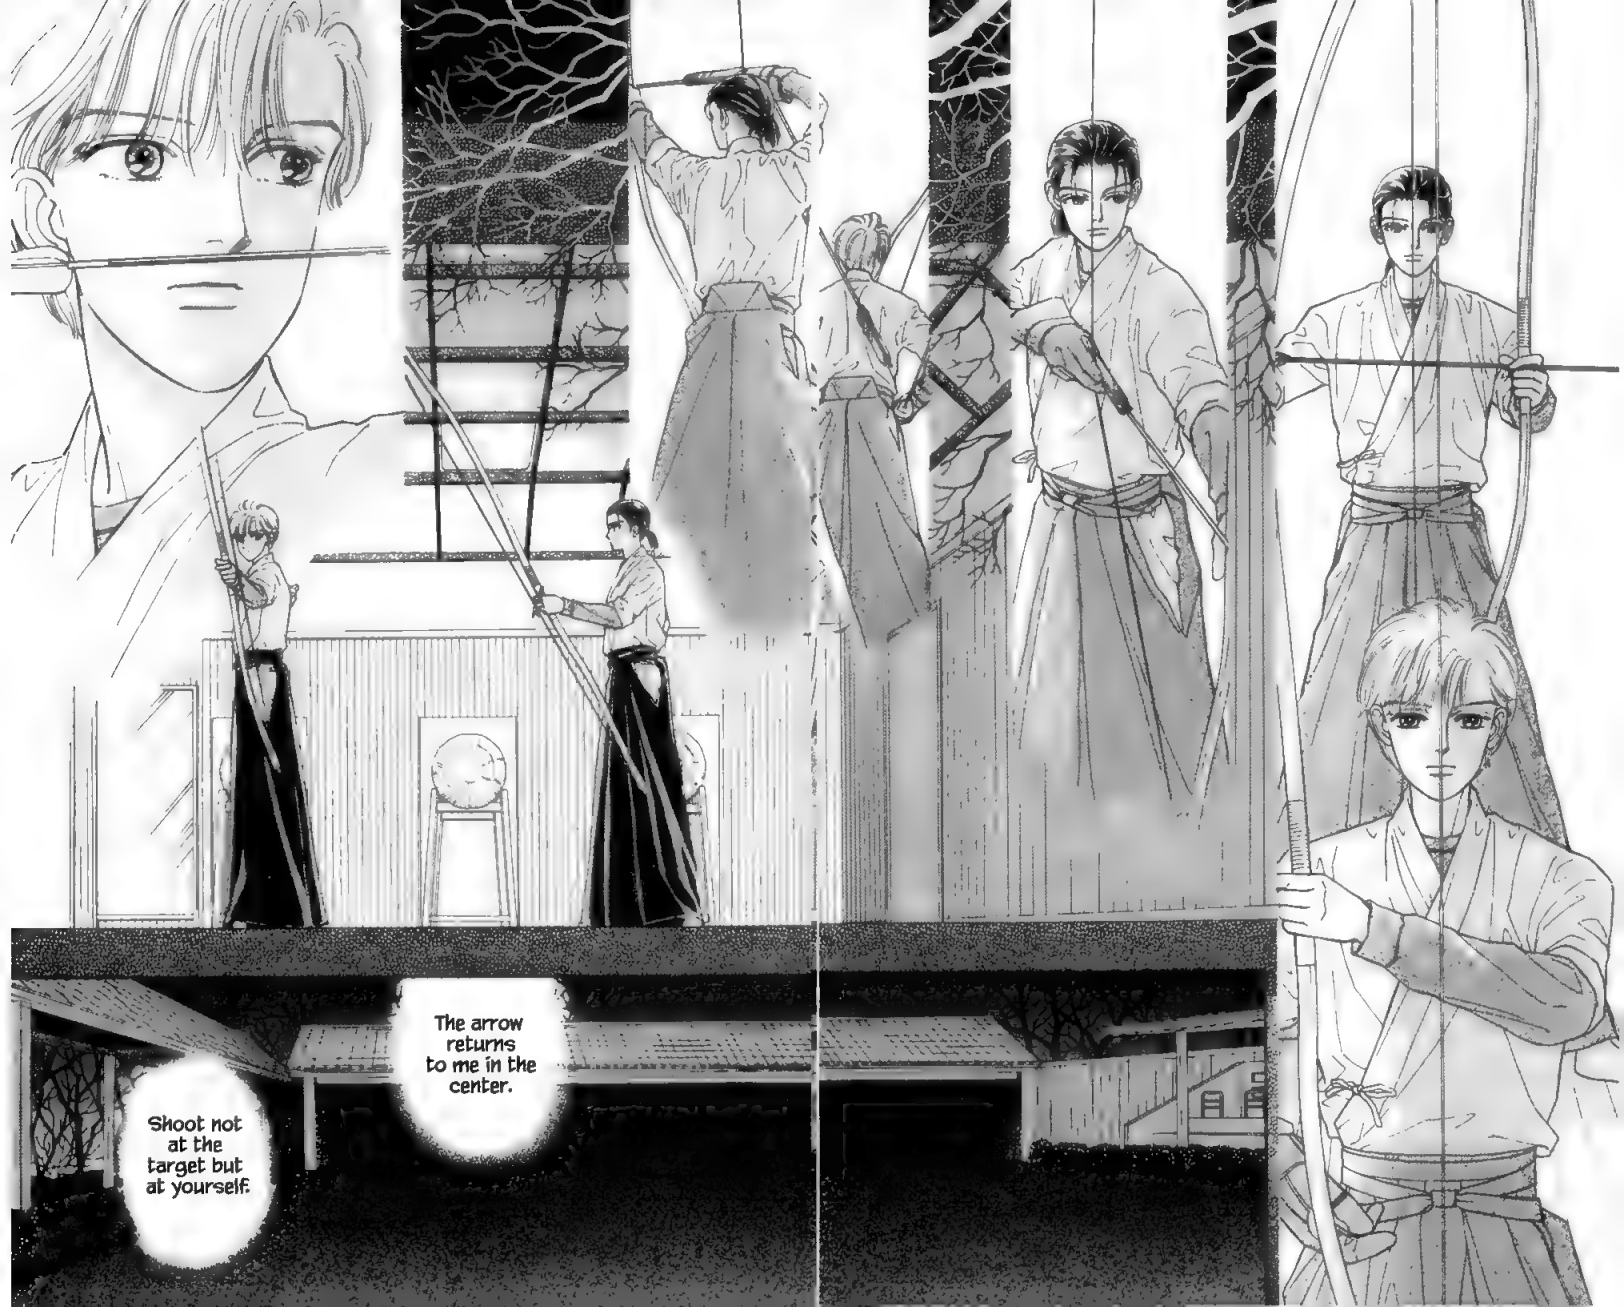

'A person
is beautiful'.

I forgot that for
some time until now.

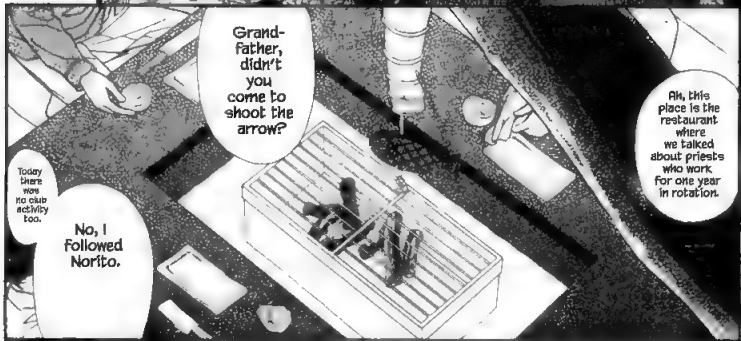

Shoot not
at the
target but
at yourself.

The arrow
returns
to me in the
center.

What
are
you
doing?

Are
you
still
here?

Grand-
father,
didn't
you
come to
shoot the
arrow?

Today
there
were
no club
activity
too.

No, I
followed
Norito.

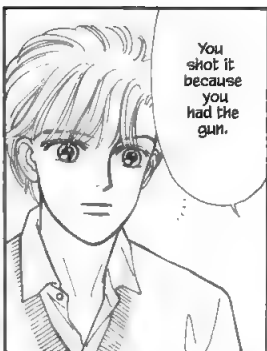

Ah, this
place is the
restaurant
where
we talked
about priests
who work
for one year
in rotation.

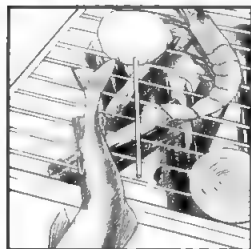

You were angry, right?

If you were barehanded, you would have attacked him with your body and if you had a stone, you would have thrown it.

You shot it because you had the gun.

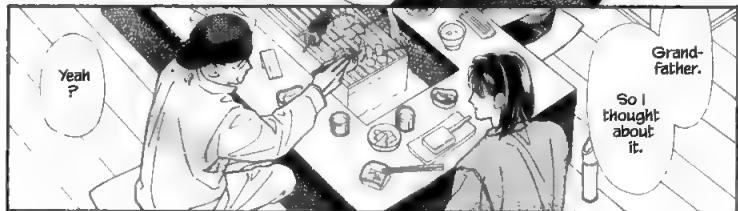

You don't actually know what it is like to take another person's life.

You shouldn't say something which is nonsense.

That is...

I don't know.

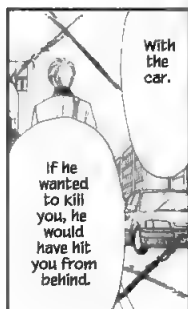

Yeah ?

Grand-father.

So I thought about it.

What?

With the car.

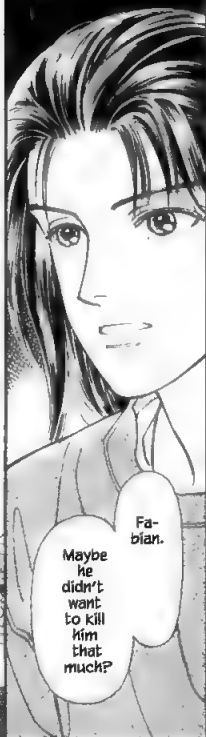

If he wanted to kill you, he would have hit you from behind.

In the subway incident, wasn't there another railway beyond the train?

Ah.

There was.

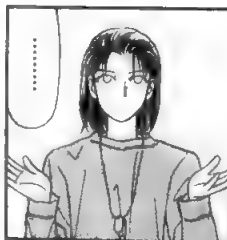

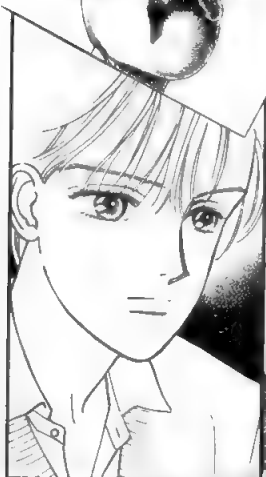

Fa-bian.

Maybe he didn't want to kill him that much?

It's okay if he kills you but he doesn't want to kill you that much...

That is it.

Then
for
what ?

That
could
be
true.

Didn't
it become
more
complicated
?

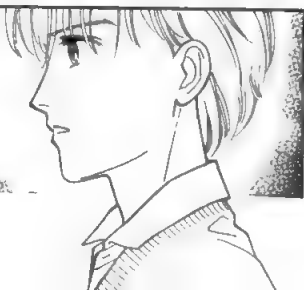

Huh
?

Riko
said
that.

When you
shine
a light in every
direction,
you can't
see it much...

I
shouldn't
figure
it out
like
this.

This
might be
good.

That
is his
freedom?

Even if
some-
body
doesn't
under-
stand.

It feels
like
the talk
that
we had
before
is conti-
nuing.

If
not.

In that case,
the freedom
of other
people
are in danger
and that
is the
problem...

That is
right.

Even if
someone
doesn't
under-
stand
me.

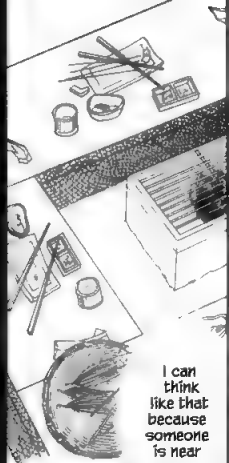

I am
me.

Sanno-
maru.

What will
you say
when you
meet him
?

I can
think
like that
because
someone
is near
me.

Maybe I
can't
expect
Fabian
to have a
heart like
that.

If Simon
approached
me
seriously,
I would
have been
afraid
of him.

I might
...

I might
have
been a
little
afraid
of men.

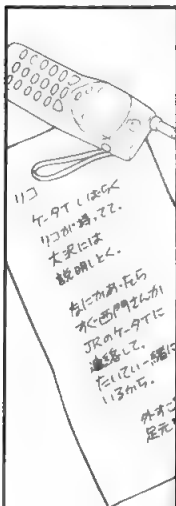

But Simon
stepped
back.

Why is it
only
Michael?

Who I am
not afraid
of?

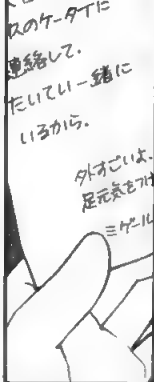

Sfx:
Beep

Paper: Riko.
Please carry this
cellphone for some time.
I will explain it to
Osawa. If something
happens, call. Simon's
or Junior's cellphone.
We will be together
most of the time.

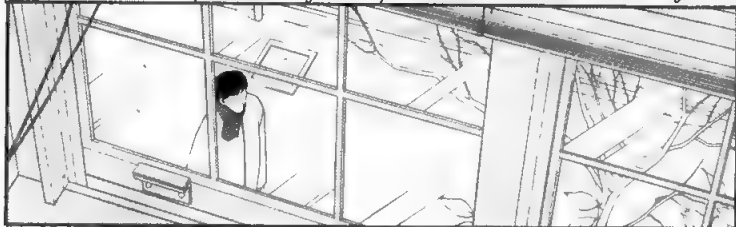

It is
definitely
because
of that
drunken
man!

Paper: Call Simon's or Junior's cellphone. We will be together mostly. There is a lot of snow outside. Be careful of the ground. - Michael

About archery

If you can really strike the target when you can't see it, I was curious about that too, but the masters can do it. Simon doesn't have that good eyesight, so he must be used to being able to hit the target. (It is rather like Michael Jordan who puts a goal in a free throw with his eyes closed). The pattern of the clothes that Simon is always wearing gave him the nickname of 'Sand guy' in our work studio.

'And the boy Kongara has the smell of snow'. There was a song like that.

'In soccer, the boy Jedaga has the smell of fire'.

*Jedaga/Kongara is the name of the god of fire.

They are totally,

the boys Jedaga and Kongaras of basketball.

Don't zone out and go back!

It is so cool.

I can't copy that.

He jumps three times when other people jump 2 times.

Doumoto's rebound is so amazing.

Wow!

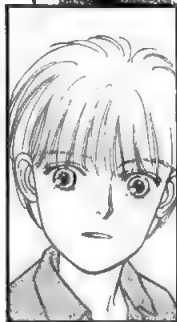

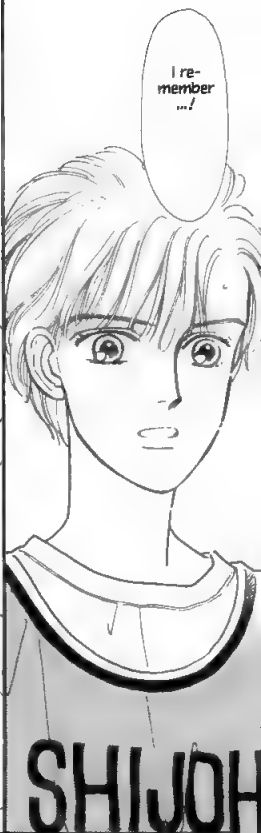

I think it's life force itself.

I wasn't anywhere 80 years ago.

The old man is amazing too.

He is 80 years old.

I saw
him too and
thought
of him
as a street
kid.

Aah
...

I tried to
emphasize
that I am
different.

I called
dad in
a loud
voice.

I can't
say that I
didn't have
any heart,

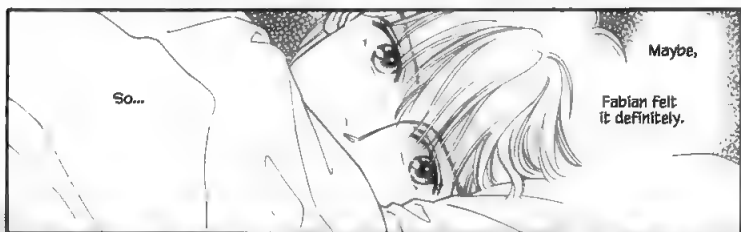

of feeling
superior and
proud of
what I had.

What
about
Mi-
chael
?

He was
tired
because
of
prac-
tice.

He
had
a bath
and is
now
sleeping.

So...

Maybe,

Fabian felt
it definitely.

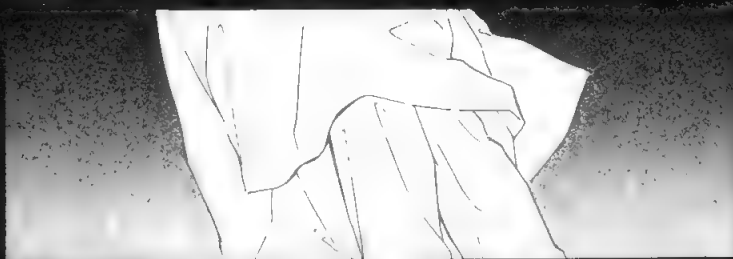

It is you as
I thought!

Fabian.

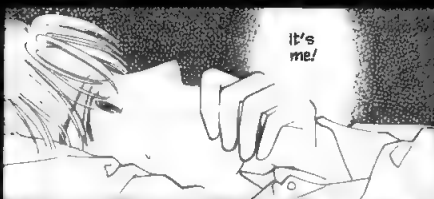

137 Grin

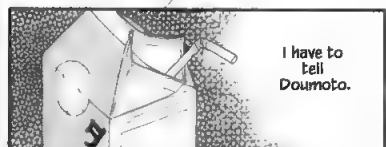

it's
me!

I am
the
one
who
grinned.

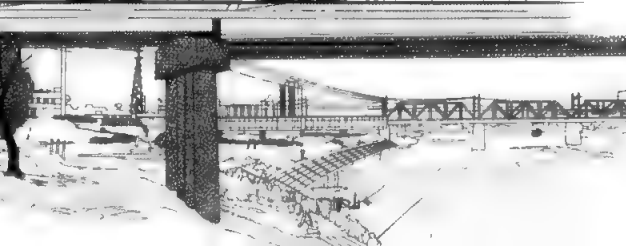

It was
me.

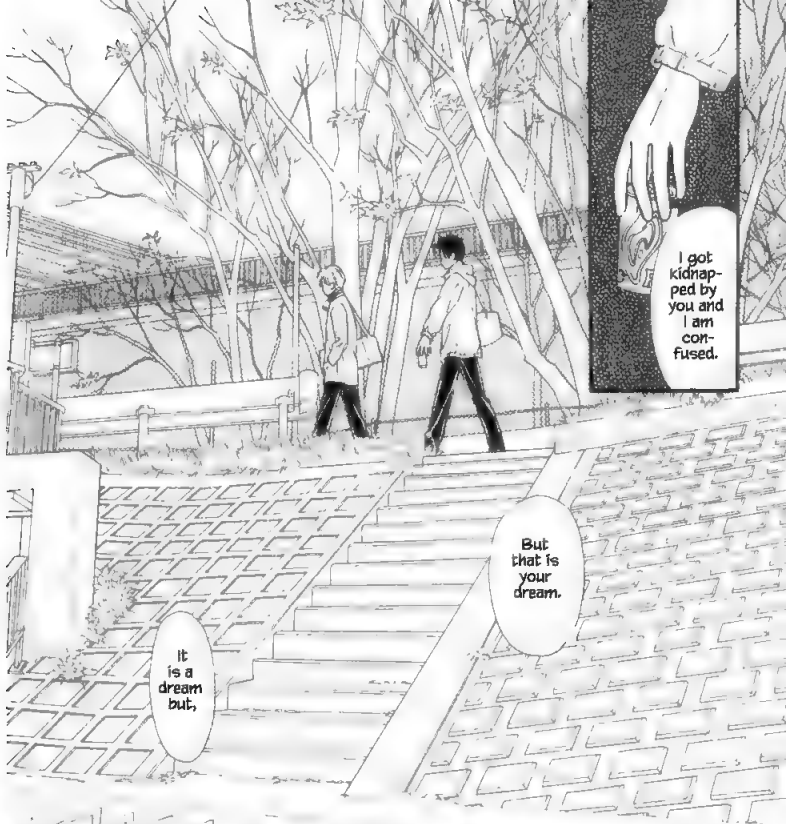

Sfx: Drag

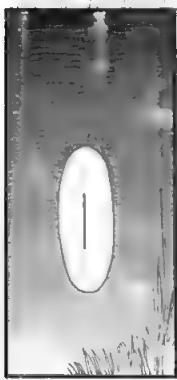

I got kidnaped by you and I am confused.

But that is your dream.

It is a dream but,

What do you mean?

I am the one who grinned.

I thought
'He
deserves
it'.

When
I
fired
the
gun.

Same
as
him.

When I
saw him
lying down
because he
was shot.

He could
have been
deadly
wounded.

No, I defended myself and not him.

I am the same as him.

So I defended Fabian.

I am, really...

Humans.

Rattle

Right now.

What kind of
expression
am I wearing?

Doumoto?

What is he thinking?

1007

Fabian.

Maybe he
saw
through
it all.

He could
know me
better
than
anyone.

hurt
about?

Sanno-
maru,

What
are
you

What?

Y-.

Yes.

Dounoto.

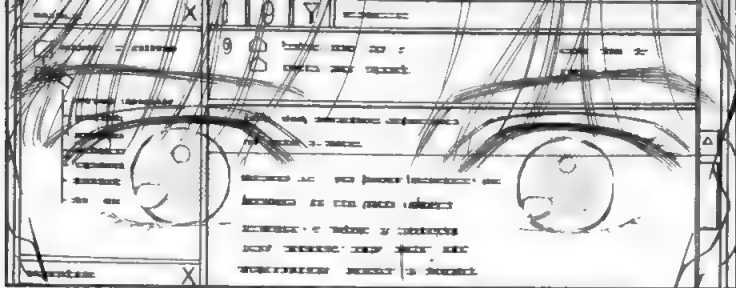

He
Forever
stopped
me
from
exploding.

He was worried
and followed them.

The
email.

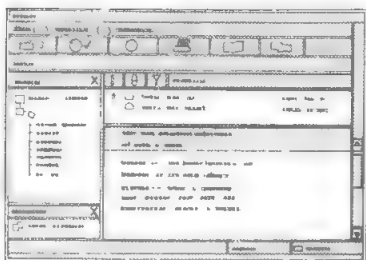

It
came.

Simon.

From
Fabian.

Yeah
?

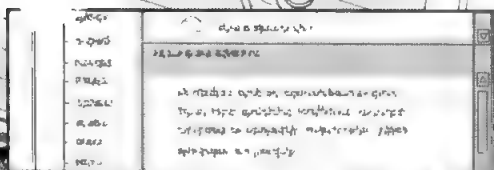

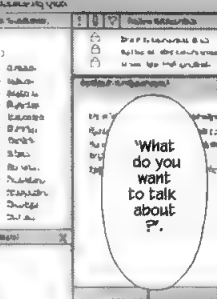

The
email
came...

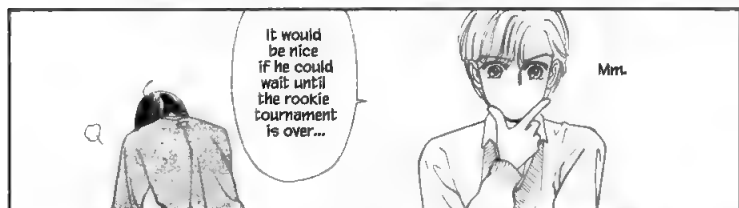

From
Fabian.

Tell me,
Sanno-
maru.

What
does
it say
?

If you
cower
and tell
him to
wait.

It will
arouse
him
more!

You!

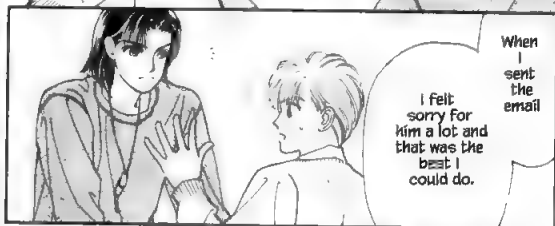

Do you know
that your
life is on
the line?!

I, I am
sorry!

I just
can
guess.

If he
tried
to hurt
my father
or not.

I felt
sorry for
him a lot and
that was the
best I
could do.

When
I sent
the
email

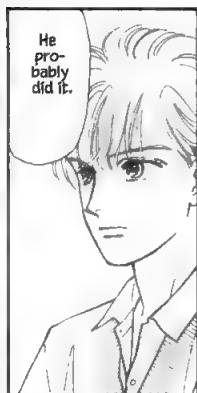

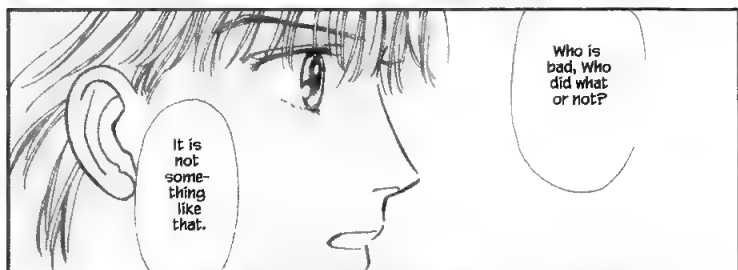

Now
is like
that
too, of
course.

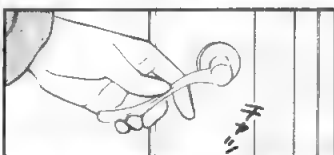

But
it's the
same
for
both of
us
...

Then
now
?

Sfx: Open

Assistant's job.

While working, she is worried about the weather when she will go home, but she missed the weather report.

Tomorrow there will be snow.

I don't want the weather to be bad on my way home.

Come here.

I will tell you everything.

Mom is working.

Ah. Narita, how is weekend weather?

It will be sunny, but the temperature will be low. It will be around 6 degrees.

Narita can't work on manga plot if the weather is cold. She is weak against heat too.

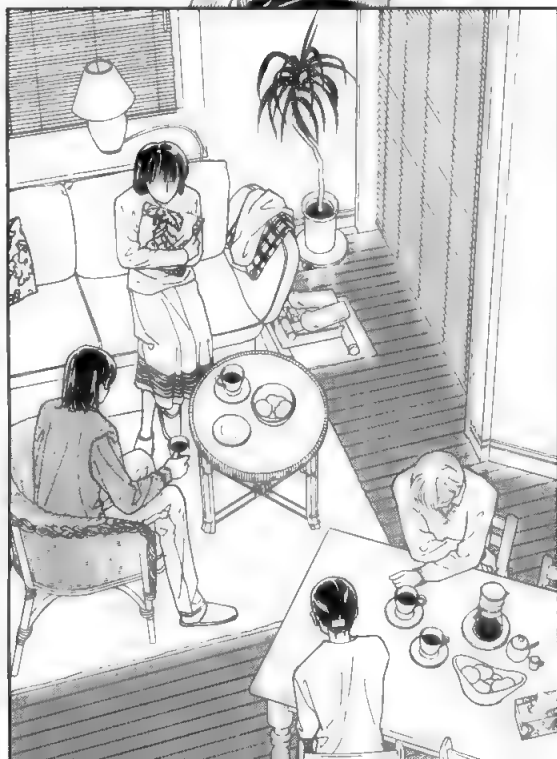

I didn't bring an umbrella.

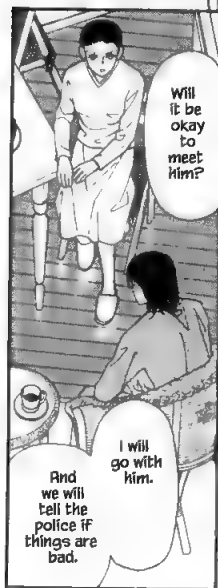

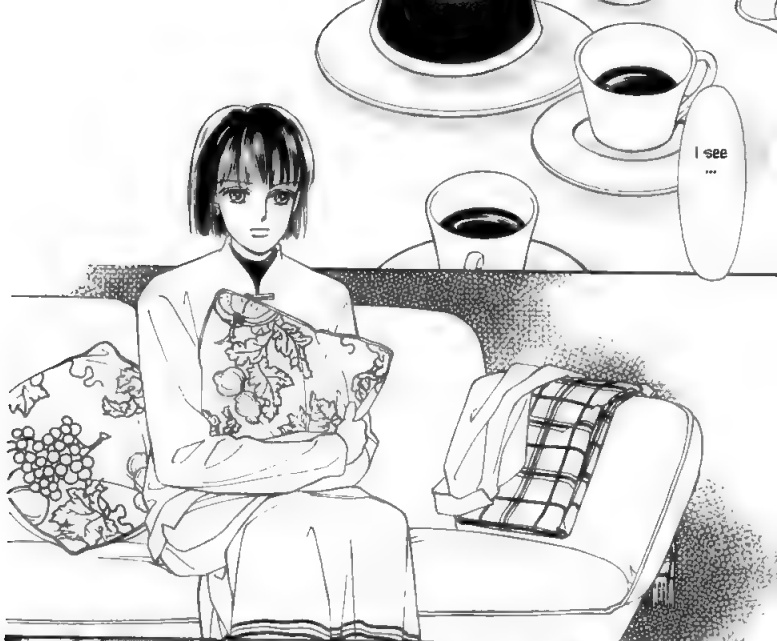

Thank god that it will be sunny.

Tell me the movement of the clouds.

It helps me a lot because it gives me a lot of detailed information. Narita likes weather report and fortune telling.

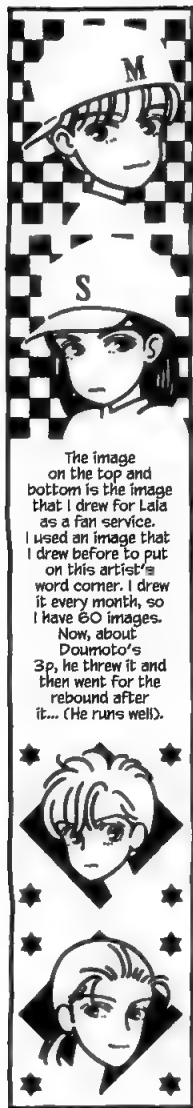

I am sorry to only turn on the tv when the weather report is on. (Narita)

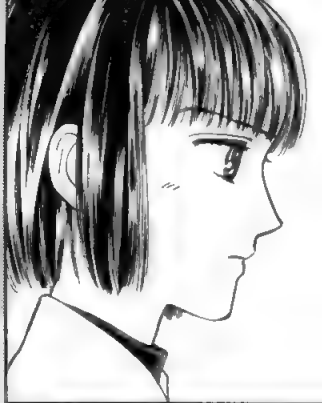

I can't tell them
about it smiling.

But my
other half
reason is that I
thought
that it would
work out
somehow.

I thought
that you
would
not tell
them
until the
end.

Did you
not
tell them
to be
careful
about it?

That's
half
of the
reason.

Huh?

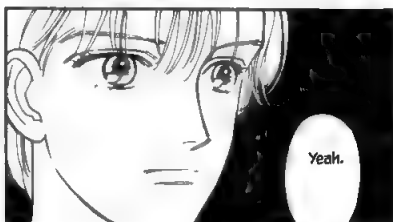

When
I tell
them.

I thought
that people
would show
more of
a strong
rejection
response.

Aah
us?

It's
not
that I
didn't
want
to reject
it.

What
is a
friend to
Junior?

Someone
who
you just
like?

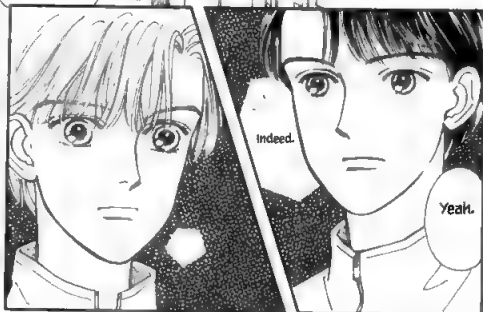

Isn't
that
what
Junior
said?

You
just like
it'?

I
think
...

I under-
stand
that
feeling.

Indeed.

Yeah.

What is
going on?

What,
what?
Did you
call me?

We
didn't
call
you.

Can you
say that
without
knowing
my true
self?

I just
like you.

I said
something
dumb.

How can
someone know
everything about
someone?

That
is not
so
simple.

That
could
be wise
words.

He is
unexpectedly
sharp.

He
looks
dumb
though.

On the day
after
tomorrow.

It is a
match. A
match.

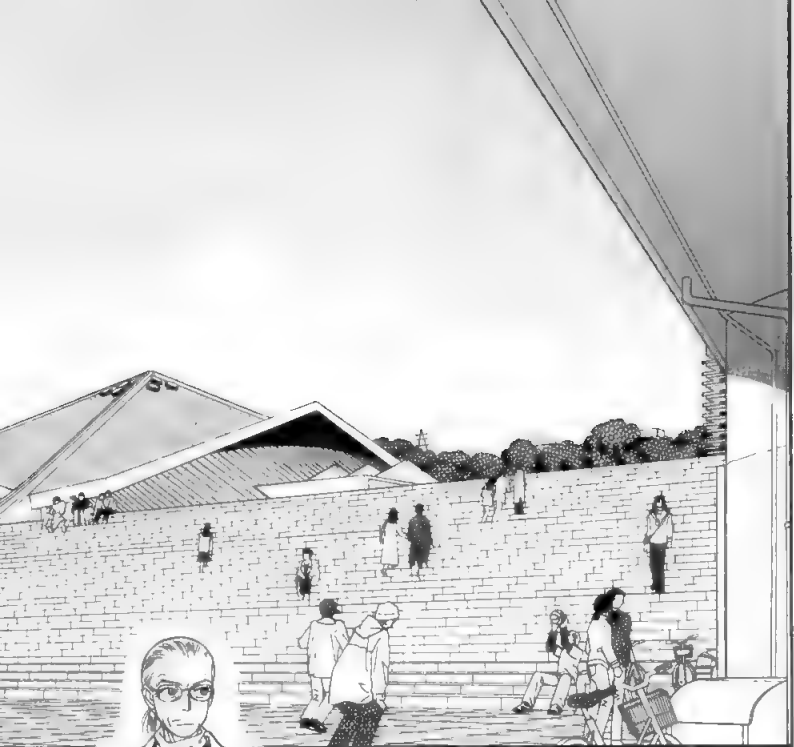

Nothing else can
make me feel
better with just
one word like this.

Do you
think
the thing
with Riko
will go
well?

About
what
we said
before.

It is
just like
today's
coach!

You
cleaned up
and well
dressed!

My
clothes
...

Mm.

When the gym
is big, it makes
people want to
fight in it!

Let's
have a great
match for
the coach!

Of
course
!

The old
man's
beard
doesn't
hurt
at all~

Smooth

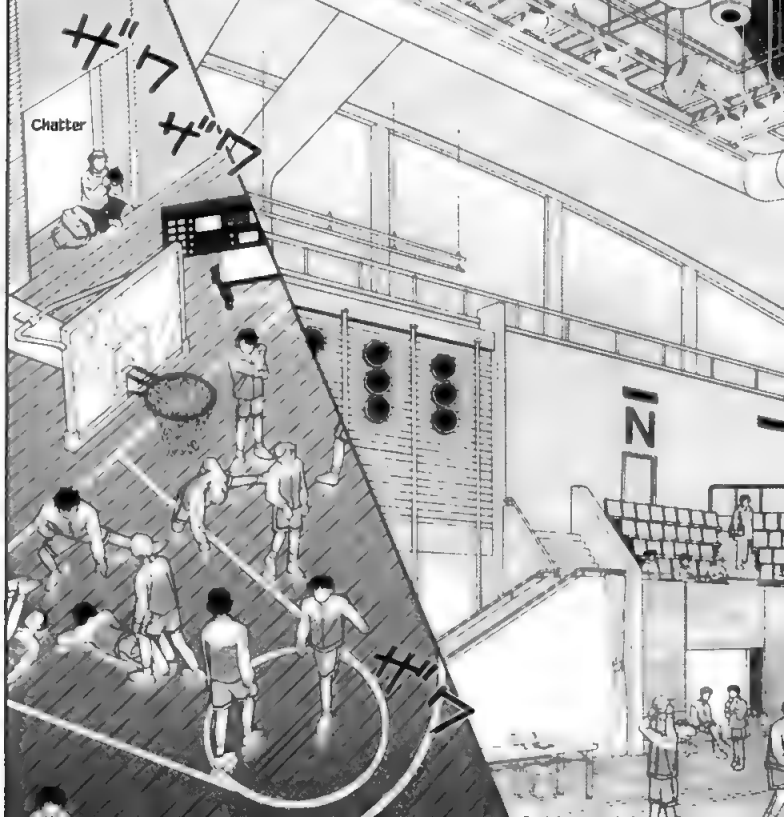

Rah, you
watched
too much
NBA,
coach.

Shine

Yeah
?

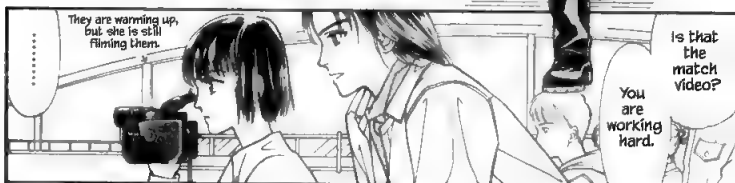

Coaches
are people
like this
really?

Chatter

Ah, Riko.

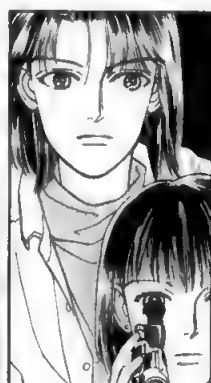

Is that the match video?
You are working hard.

What?

Weird ...

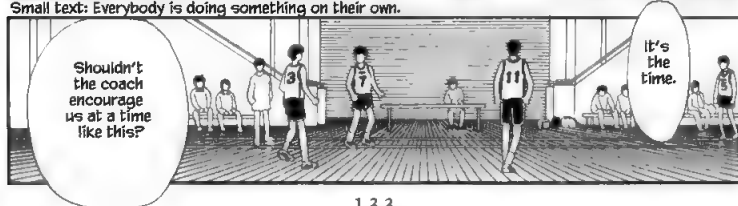

What, don't say something weird suddenly!

Small text: Everybody is doing something on their own.

Creak

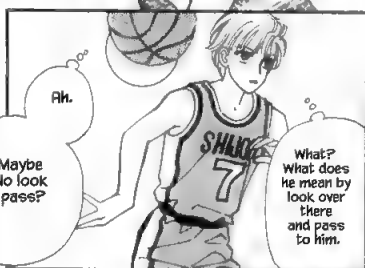

2

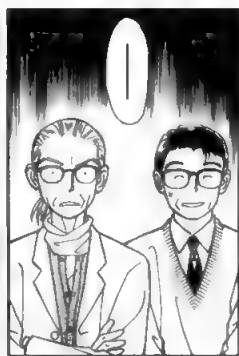

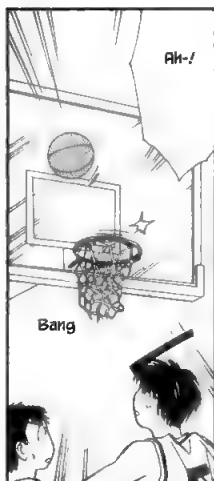

He is
suddenly
attacking!

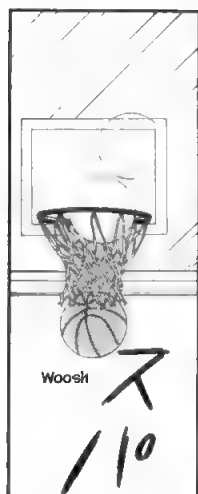

Oh!

Dazed

I want to call time out.

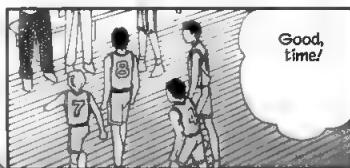

How does Riko see this match?

Maybe if he does something like this.

He will steal the ball again like before...

He kept stealing in an inexperienced way and received five warnings and then made to leave the court

Good, time!

You...

Doumoto!

What?!

Good! Let's go like this!

They are
thinking
on their
own and
try to
deal with
it.

it was
too long for
them to not
have a coach.

'Okay, let's
go like this!'

Bang

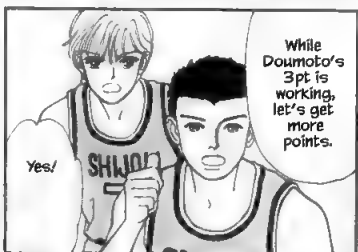

Good!

Their defense is not going well.

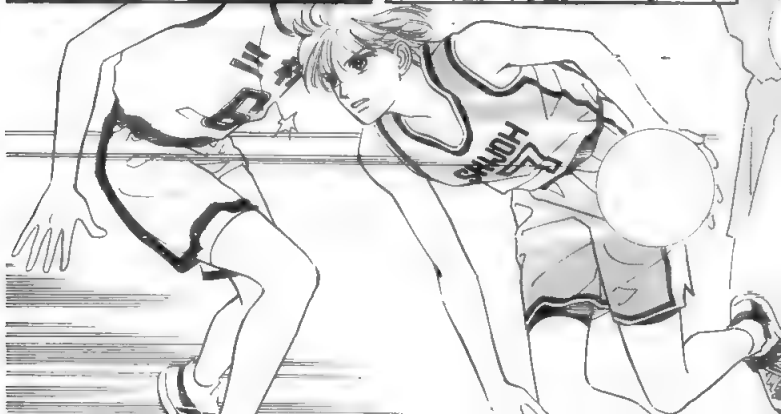

Sfx: Wow

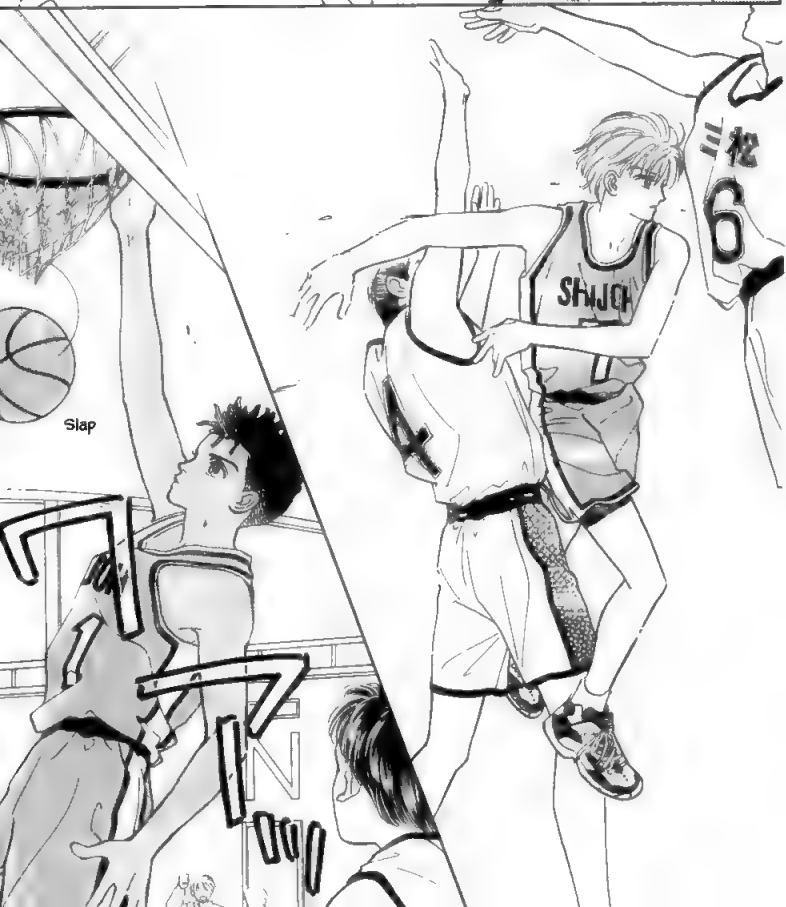

You must be surprised a lot. We are like that too.

Yes!

While Doumoto's 3pt is working, let's get more points.

He is amazing!

He didn't hesitate and attacked.

Ah~ I like it so much when Michael does that!

I feel excited whenever he does it!

I want to play with them.

What should I do...?

I can't stay still.

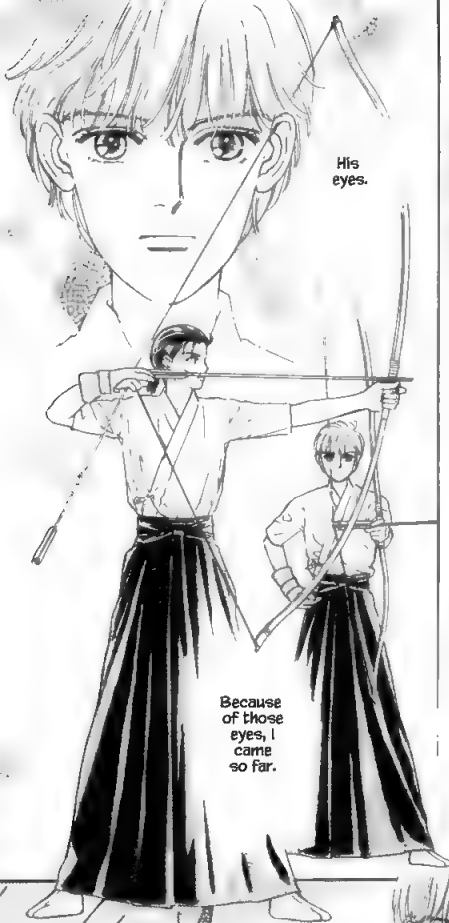

Oh my, that is rude! I am a hot woman.

You are luke-warm.

Riko who is the queen of always being not excited that much?

Glare

His eyes.

Because of those eyes, I came so far.

Archery is the same. I understand that feeling.

Really?

He cares a lot about other people normally but, Right.

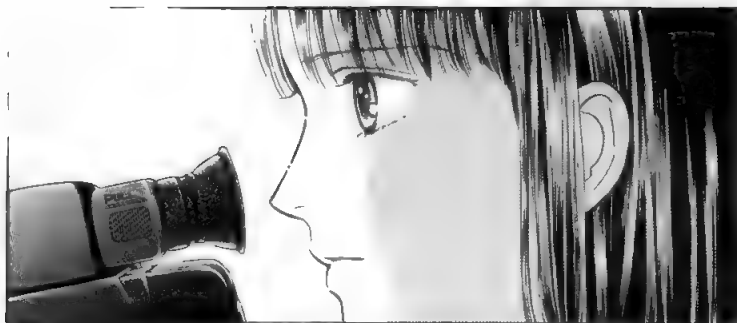

He attacks without any mercy.

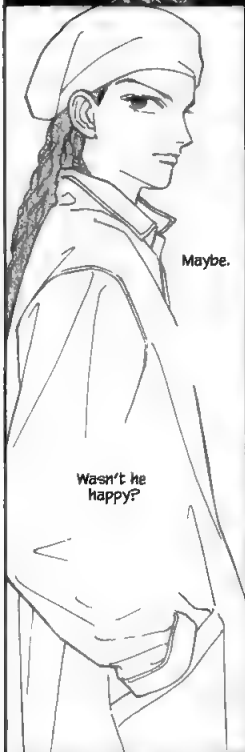

He doesn't know his own proper place.

Sometimes he zones out though.

Maybe.

Wasn't he
happy?

Even when
he was
jealous.

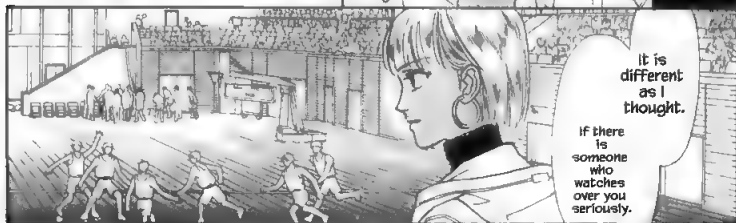

Even if he
acted like
that.

If someone
treats you
seriously for
the first time.

And.

If he
didn't
know how
to express
that feeling
unless doing
it like that...

I can finally get closure.

Alisa?

You are living alone?
How is it these days?

Ah!

I was trying to cross the wall inside myself.

Well.

And involved other people...

But I am very sorry about Michael.

I am saying this suddenly.

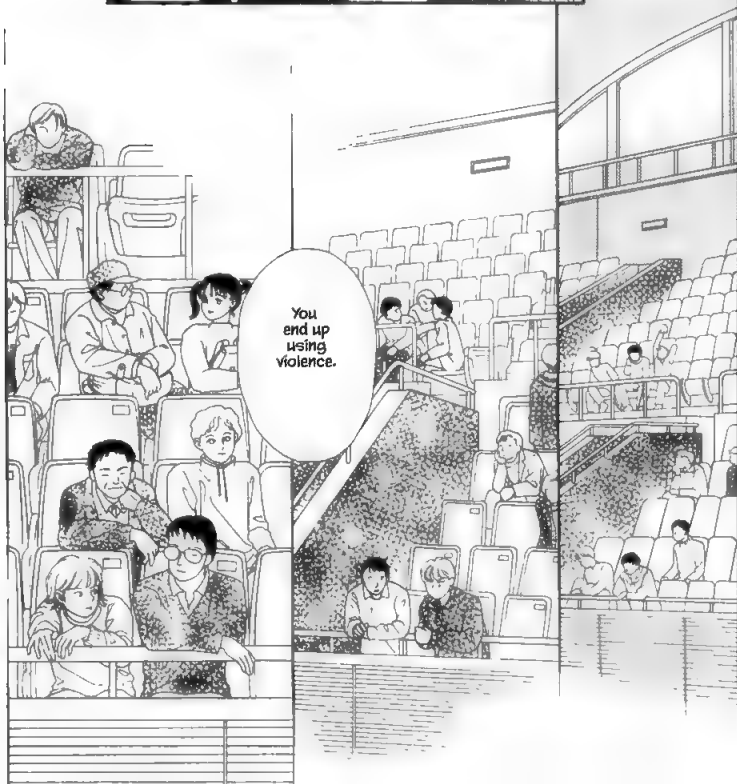

I don't want to acknowledge them at all, but I can understand.

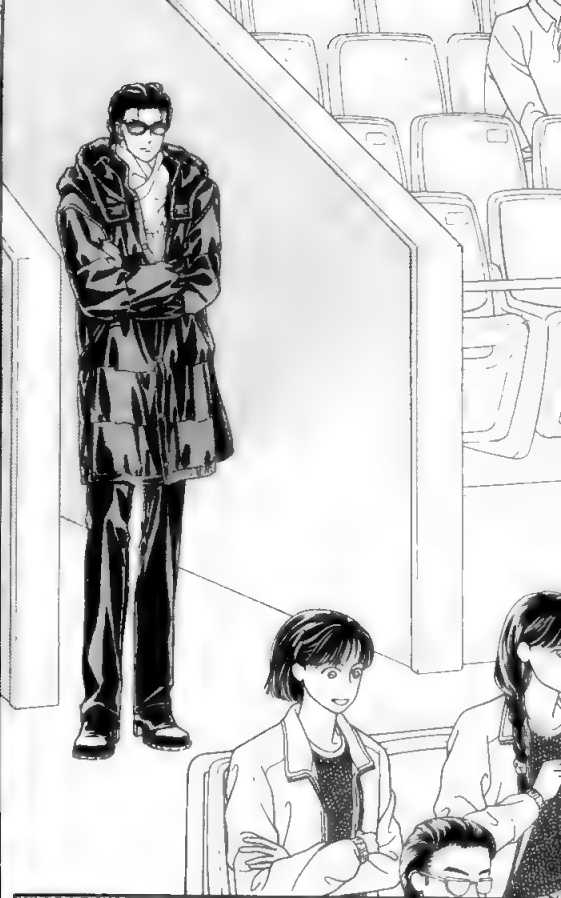

Maybe.
When you want to climb up a wall which is so high.

There is someone like that.

Someone who hurts other people and feels refreshed by it.

You end up using violence.

Simon,

Did you
wait
long?

If it's
weird to
say
"happy"...

"Shocked"
or...

"Touched"
is good
too.

What
kind of
nonsense
is that?

Why
would he
be happy
about
getting
shot?

It'd be
better
to
assume
he held a
grudge
over it.

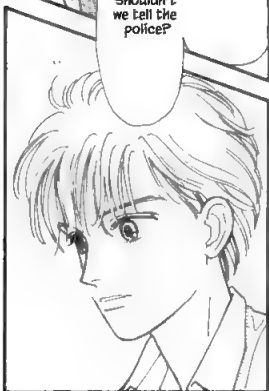

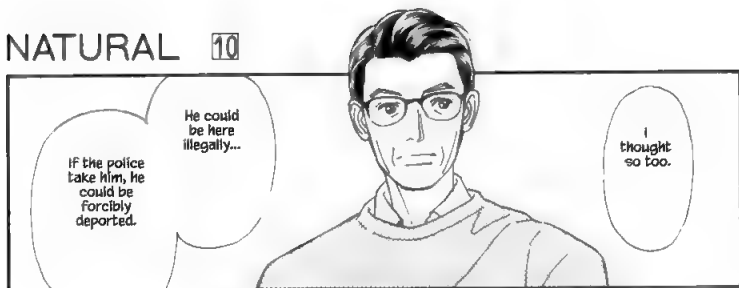

Fabian
knew
that.

The method was
problematic,

But Sannomaru
faced him
head on with
his whole body...

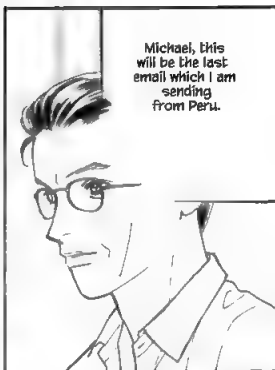

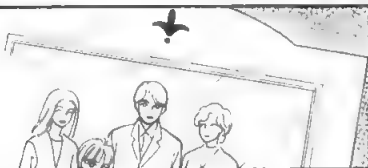

After I found out
that Fabian is not
in a gang, I went to
meet your parents.

Michael, this
will be the last
email which I am
sending
from Peru.

Your father seems to feel sorry for you.
Your mother wanted to see you very much.

Do you remember, Michael?

'El condor pasa' is not just
a simple song about the bird.

It is a small
amount, but your
support is helping
them too.

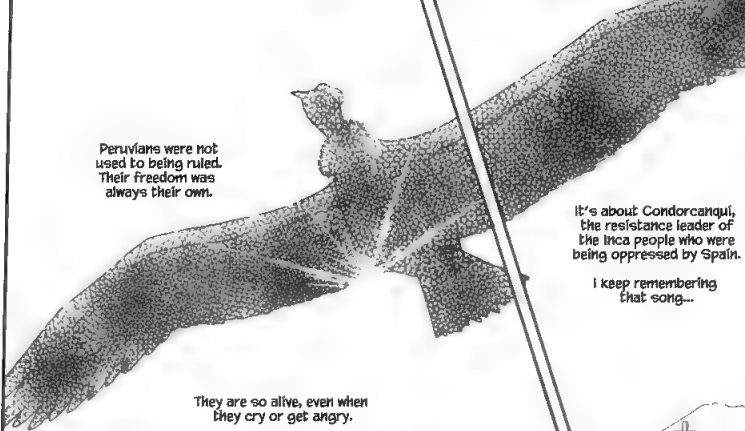

Your younger
siblings are
healthy and going
to school!

Honestly, the
situation in
Peru is not
looking good.

I think it's getting
worse little by little,

But everybody
is still smiling!

Peruvians were not
used to being ruled.
Their freedom was
always their own.

It's about Condorcanqui,
the resistance leader of
the Inca people who were
being oppressed by Spain.

I keep remembering
that song...

They are so alive, even when
they cry or get angry.

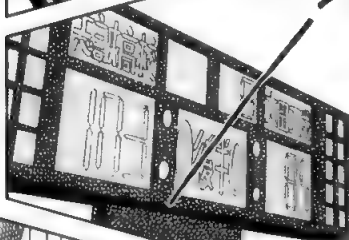

Please don't
forget that
these are your
roots.

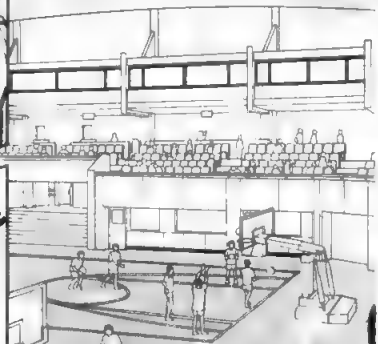

Second day of the rookie league tournament finals!

Whistle

Rh!

What!/?

Fabian's
reply.

It
came
...

Entiendo.

'Okay.'

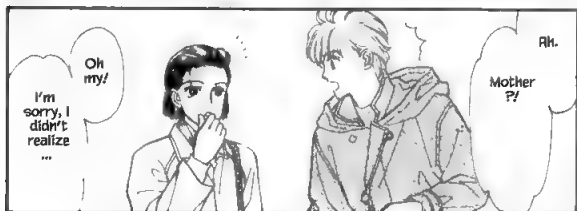

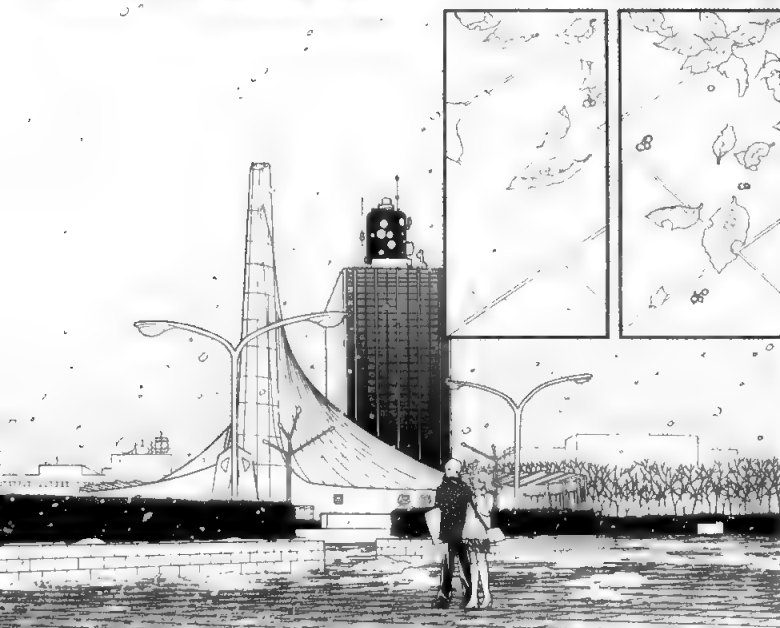

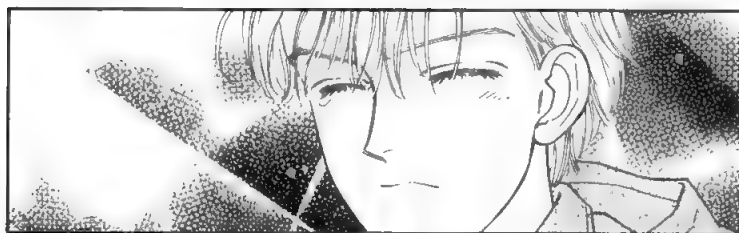

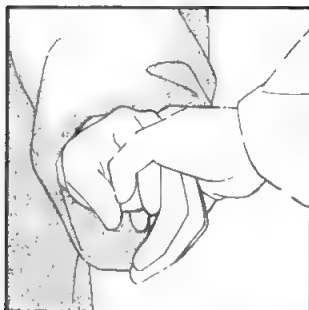

Then we
should
contact the
detective
from the
train
accident
incident
...

Yes!

That's
simple.

On the last day
of the match,
the snow fell for
second time.

Flinch

Ah,
here
he is!

Ask
Sanno-
maru.

El nino is
Spanish,
right?
What's
it mean?

This is
totally
abnormal
weather!

Today's
theme is
Bogart.

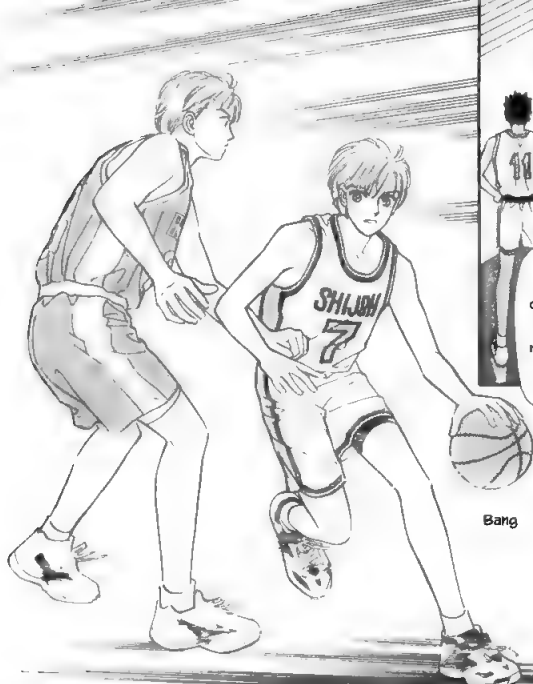

This
is the best
time for
basketball!

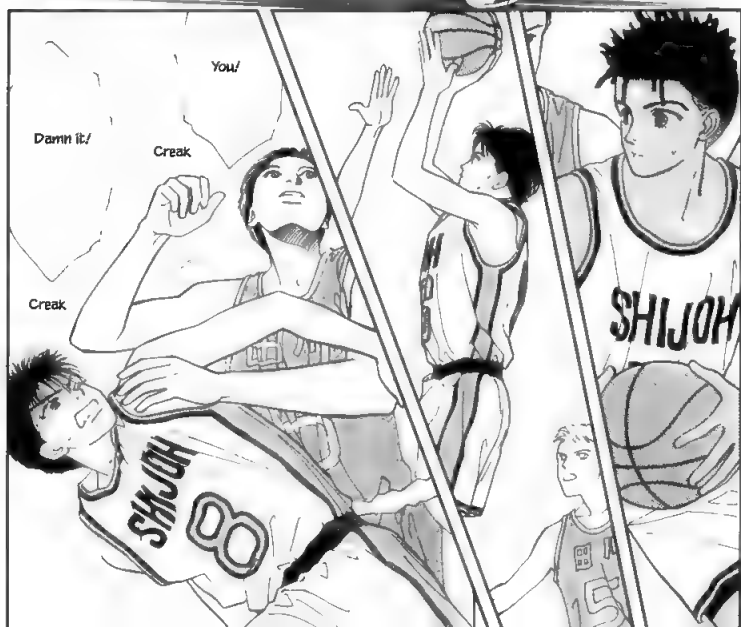

It
could
be
Dou
moto
...

Then
Junior
will
do
it?

Bang

You!

Damn it!

SHIJOH

About page 181.

Only Osawa did a jump ball with Michael in vol. 1, so he trusted that Michael would win and stepped out of the 3-point line. While I was drawing vol. 10, I realized that the tournament date and location were wrong, so I reread vol. 8 and fixed them. People who bought volumes 8 and 9 will have different dates on theirs. I am sorry. Ah, I don't have enough space to tell you where Shijo high school is. I'll answer in the next volume~ Then, goodbye!
